WHAT INFLUENCES OUR RESIDENTS HEALTH?

Public Health focuses on the overall improvement life:

Henry County Health Center (HCHC) employees' work ranges from analyzing health trends in the community, to preventing the spread of communicable diseases. HCHC believes that everyone deserves a chance to lead a healthy and happy life, therefore, we are focused on attaining the highest level of health for all Henry County (HC) residents.

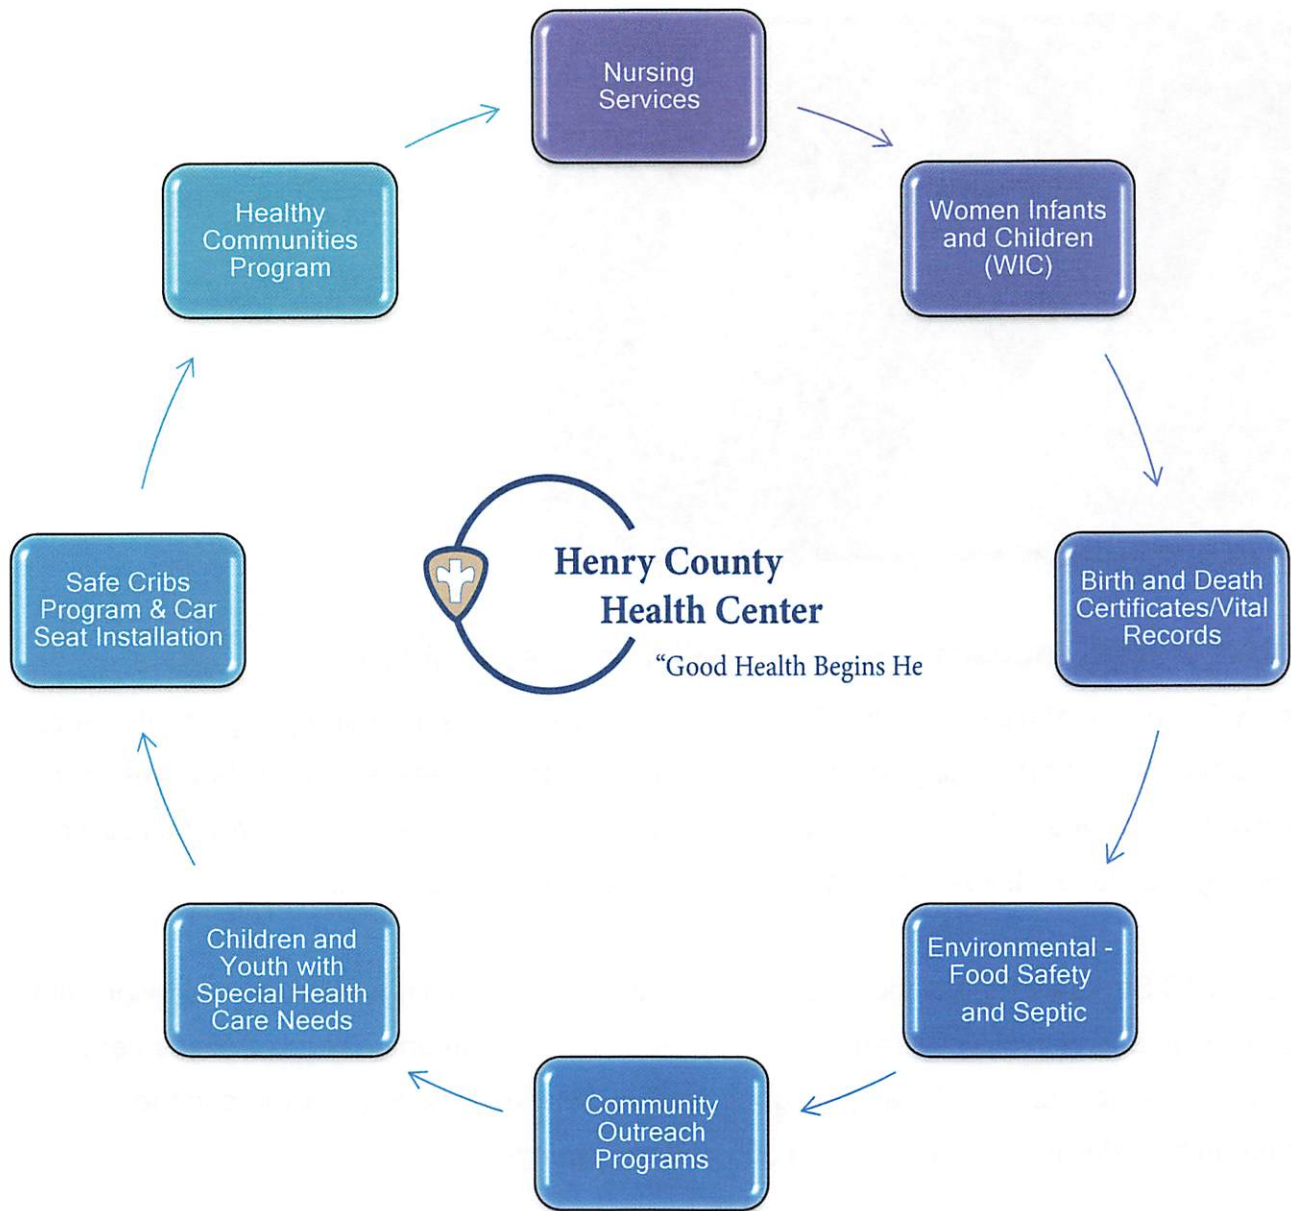

The HCHC Strategic Plan is focused on developing and sustaining programs that align with our mission and with the needs that are identified in our Community Needs Assessment. HCHC is also focused on developing good working relationships with partners in the community that will increase the odds of long-term change.

HCHC Mission:

"To protect the health and promote the wellness of the community".

Program Operations:

The community and site-based programs provided by HCHC include:

**The needs identified in the Community Needs Assessment drive the HCHC Strategic Plan.
